

## **BECKY A DAVIS BIO**

Becky A Davis is an author, speaker, trainer, and entrepreneur who is thankful God can use *her* mess and life issues for *His* glory...and YOUR enlightenment and learning!

Becky is a BIBLE reader and teacher. Through the teaching of the Word of God to women, she desires to see women not only know the uncompromising truths of Scripture intellectually but experience them practically by the power of the Holy Spirit.

She has been an empowerment speaker for major corporations, organizations, national business conferences, churches, and Christian audiences across the United States and internationally.

With topics ranging from marriage, parenting, singles, and spiritual growth, to seasons of life, Becky is focused on helping others to deepen their spiritual walk. God's Word is the authority. God is the teacher, and Becky is the vessel that leads women on a journey of seeking, finding, and growing in Christ.

Becky left corporate America after 20 years. She was a regional vice president for Luxottica, a Fortune 500 company. She stepped out on faith after a near-death experience to start her business, believing that God kept her here to pursue her dreams, and God-given purpose to empower women, coach entrepreneurs, and develop leaders. Becky is the President/CEO of MVPwork LLC, a coaching and consulting firm that helps entrepreneurial women build and accelerate business growth, celebrating 12 years in business. She is also the owner of MVPwork Capital LLC, an acquisition holding company where she buys and invests in businesses.

Becky was the 5-year national spokesperson for The Coca-Cola Company's women entrepreneur initiative. Huffington Post, Essence, Black Enterprise, Forbes, Associated Press, and Rolling Out Magazine have recognized Becky for her contribution to women entrepreneurs. She has been seen on ABC, FOX, and TV One for her work with women. She gives all the glory to God.

Between writing, speaking, training, and leading, she likes to spend her free time traveling, reading, shopping, and more shopping. Becky is married to her best

friend and life partner, Will Davis, and they have four children. They live in Atlanta, Georgia.
