CHUNCEY B. THOMPSON

SPEAKER'S BIOGRAPHY

Chuncey B. Thompson is the Pastor of the Jasper St. Church of Christ Decatur, Illinois. Where he serves diligently and fervently with the members and the community to bring people to Christ. He has served diligently in the ministry since childhood and has been preaching the gospel of Christ since his early teens. Pastor Thompson graduated from Southwestern Christian College with a Bachelors Degree in Theology and is currently enrolled as an undergrad student at Parkside University studying Psychology, to become a Psychiatrist. He also has served working as a Paraprofessional and a Teachers' Assistant at Brown Deer High School.

Pastor Thompson is no stranger to the ministry. He comes from a preaching family; his father Dr. Steven N. Thompson Sr. currently serves as the Senior Pastor of the Central Church of Christ in Milwaukee, Wisconsin where he attended since birth. He states his mission in the ministry is solely committed to evangelizing and teaching the Gospel of Jesus Christ solely for the purpose of saving souls through God's Holy and divine word of Salvation. His favorite bible verse comes from Hebrews 11:1 "now faith is the substance of things hoped for and the evidence of things not seen".

He teaches all over the world that this verse is not the definition of faith; however, it is simply the result of what faith can do for you, and with that understanding of faith, He says we all can achieve the will and the purpose of God while working to advance His Kingdom.
